Q1. Why was the twentieth century called the 'Era of the Book'?

Answer : The twentieth century was called the 'Era of the Book'. It was because there were books about everything. These were from anteaters to Zulus.

Then books taught the people almost everything. Like how to, when to, where to and why to. They illustrated, educated, punctuated and even decorated.

Q4. Give a character sketch of Noodle.

Answer : Noodle knows more about Earthlings and their activities. He is intelligent, clever and diplomatic. He rectifies the follies of Think-Tank not directly but in a very subtle manner as not to hurt him. He is aware that Think-Tank likes flattery. Though he is the one to make the right decisions, he makes sure that his boss gets all the praise. He is good at handling tasks by himself. He pleases Think-Tank with his humble attitude.
