Visual Paragraph

Visual Paragraph

The picture shows the problem of noise pollution. People use loudspeakers, amplifiers, speakers, mikes etc. which spread noise pollution. Strong horns of vehicles noise of engines of aeroplane and trains and factories also create noise pollution. Noise pollution causes many diseases like stress, tension, high blood pressure, headache etc. The Supreme Court has banned the use of loudspeakers after 10 p.m.

Visual Paragraph

Different people have different hobbies. Coin-collecting, stamp-collecting, painting, gardening etc. are common hobbies. My favourite hobby is gardening. I have a garden. I work in it everyday. I get fresh air. I grow some vegetables and flowers in it. Thus, we get free and fresh vegetables from this garden. There is a temple near our house. I pluck flowers from my garden. I put those flowers on the of feet of the goddess. I do not allow my hobby to stand in the way studies.

Visual Paragraph

LET'S LEARN TOGETHER

Last Sunday I went to see the fair of Baba Ramdevji. There were many shops and stalls in the fair. They were selling sweets, clothes, toys, balloons, toy-guns, pictures, dolls, fruits and many other things.. Hundreds of men, women and children were there. They were in colourful dresses. I went into the temple. I offered sweets and coconuts. There were some merry-go-rounds. Men, women and children were enjoying themselves of them. I also enjoyed the fair. Now it was evening. I returned home. I was very happy.

Paragraph

Yoga is beneficial for preservation of health and treatment of various diseases. Write a paragraph in about 60 words telling how yoga and health has direct relation.

LET'S LEARN TOGETHER

Paragraph

Yoga is of great value as a method of preservation of health and treatment of various diseases. Yoga chiefly deals with the removal of psychological pains. It also cleans and massages the internal organs. It regulates blood circulation, improves the lung capacity and eradicates all diseases-insomnia, hypertension, bronchial asthma, rheumatoid arthritis, diabetes, cancer, AIDS, etc. Yogic stretching grows and survives body cells. Therefore, a yogi has long life. Thus, yoga keeps us healthy.
