Q. Nos. 12-15 :

Read the following passage and answer the questions that follow :

Many animals die by swallowing plastic bags or pieces of glass. Many small or big animals such as squirrels, rats, dogs, stray cows, goats and even birds die because of eating plastic garbage. Sometimes they put their heads in the plastic bags and get stuck and the poor, dumb creatures die due to suffocation. For example, plastic bags thrown into the water are dangerous for fish, sea animals and water birds. A transparent plastic bag filled with water looks like a jelly fish which is a favourite food of sea turtle that had swallowed fifty plastic bags ! Fortunately, it was also saved.

Plastic or any other such waste causes great harm to environment. For example, plastic waste does not allow even the soil to breathe. It causes pollution of soil, water and air.

We pollute our environment by throwing different kinds of waste carelessly.
