

## CHAPTER-3 | Two Stories about Flying

### QUIZ PART-02

1. What troubled the young seagull most on the sunny morning?

- A. Cold wind  
B. Hunger  
C. Loneliness  
D. Sleep (B)

**Explanation:** The young seagull had not eaten since the previous night, so hunger troubled him badly.

2. Which family member was looking at the young seagull?

- A. His father  
B. His sister  
C. His mother  
D. His brother (C)

**Explanation:** While the others were resting or preening, only his mother was watching him.

3. What lay at the young seagull's mother's feet?

- A. Bread  
B. A piece of fish  
C. A shell  
D. A crab (B)

**Explanation:** His mother was standing near a piece of fish and tearing it with her beak.

4. Why did the sight of food drive the young seagull mad?

- A. He disliked fish  
B. He was very hungry  
C. He wanted to hide it  
D. He wanted to throw it away (B)

**Explanation:** Hunger became so strong that the sight of food made him desperate.

5. How did the mother reply to the seagull's begging cries?

- A. Kindly  
B. Silently  
C. Derisively  
D. Fearfully (C)

**Explanation:** The mother screamed back mockingly, which pushed him further toward action.

6. What made the young seagull finally dive forward?

- A. His father's order  
B. His sister's call  
C. Hunger for the fish  
D. Strong wind (C)

**Explanation:** Maddened by hunger, he dived at the fish without thinking of the danger.

7. What happened immediately after he fell outward and downward?

- A. He reached the sea at once  
B. His wings spread out  
C. He fainted  
D. He cried for help (B)

**Explanation:** After the first terror, he suddenly felt his wings spread out and support him.

8. How did the young seagull feel after he was no longer afraid?

- A. Angry  
B. Sleepy  
C. A bit dizzy  
D. Helpless (C)

**Explanation:** Once fear passed, he only felt a little dizzy while flying.

9. What did the young seagull discover when he touched the sea?

- A. He drowned immediately  
B. The sea was like rock  
C. He could float on it  
D. The water was hot (C)

**Explanation:** Though frightened at first, he soon realised that he was floating on the water.

10. How did the family celebrate his first flight?

- A. They ignored him  
B. They scolded him again  
C. They praised him and offered scraps of dog-fish  
D. They flew away from him (C)

**Explanation:** His family screamed with joy, praised him, and offered him pieces of dog-fish.
