

## CHAPTER-2 | Sectors of the Indian Economy

QUIZ  
PART-01

1. Which activity is part of the Primary Sector?

- A. Making clothes
- B. Providing banking services
- C. Mining coal
- D. Teaching students (C)

**Explanation:** Mining coal is directly dependent on natural resources and is classified under the Primary Sector.

2. What is produced in the Secondary Sector?

- A. Raw materials
- B. Final goods from natural products
- C. Banking services
- D. Healthcare (B)

**Explanation:** The Secondary Sector manufactures final goods from raw materials provided by the Primary Sector.

3. The Tertiary Sector includes which of the following?

- A. Cotton farming
- B. Sugar manufacturing
- C. Communication services
- D. Dairy farming (C)

**Explanation:** Tertiary Sector involves services like communication, which support the other two sectors.

4. What does GDP represent?

- A. Employment rate
- B. Production in Primary Sector only
- C. Total value of final goods and services produced in a year
- D. Population growth rate (C)

**Explanation:** GDP is the total value of all final goods and services produced in a country in one year.

5. Which of the following is incorrectly paired?

- A. Mailman – Tertiary Sector
- B. Fisherman – Primary Sector
- C. Carpenter – Primary Sector
- D. Banker – Tertiary Sector (C)

**Explanation:** Carpenter is part of the Secondary Sector, as it involves manufacturing.

6. Which sector provides services like banking and transport?

- A. Primary
- B. Secondary
- C. Tertiary
- D. All of the above (C)

**Explanation:** Tertiary Sector provides services such as transport, communication, education, and banking.

7. What is the main role of the Secondary Sector?

- A. Farming and fishing
- B. Providing services
- C. Transforming raw materials into finished goods
- D. Selling imported goods (C)

**Explanation:** The Secondary Sector converts raw materials into usable goods through manufacturing.

8. Which sector is also known as the service sector?

- A. Primary Sector
- B. Secondary Sector
- C. Tertiary Sector
- D. Industrial Sector (C)

**Explanation:** The Tertiary Sector is called the service sector as it provides support to the other two sectors.

9. Which sector includes agriculture and mining?

- A. Primary
- B. Secondary
- C. Tertiary
- D. Service (A)

**Explanation:** Agriculture and mining involve direct use of natural resources and belong to the Primary Sector.

10. What does economic interdependence among sectors mean?

- A. Sectors work separately
- B. Each sector controls the others
- C. Sectors depend on each other for raw materials, goods, and services
- D. One sector dominates the rest (C)

**Explanation:** All three sectors are interconnected—raw materials, goods, and services flow between them.
