

Chapter - 10 | Grassroots Democracy — Part I: Governance

QUIZ
PART-01

1. What is the main purpose of rules in society?

- A. To make everyone equal
- B. To create fear
- C. To maintain order and harmony
- D. To support only leaders (C)

Explanation: Rules are necessary to maintain order and harmony when large numbers of people live together.

2. What does governance primarily involve?

- A. Making and enforcing family traditions
- B. Organizing entertainment events
- C. Taking decisions and ensuring rules are followed
- D. Only punishing people who break the law (C)

Explanation: Governance is the process of taking decisions, organizing social life with rules, and ensuring they are followed.

3. What is the role of the legislature in government?

- A. Enforcing laws
- B. Judging legal cases
- C. Making or changing laws
- D. Collecting taxes (C)

Explanation: The legislature is responsible for making new laws and modifying or removing old ones.

4. Who is part of the executive organ of government?

- A. Judges and lawyers
- B. Ministers and law enforcement agencies
- C. Speakers of assemblies
- D. Election commissioners (B)

Explanation: The executive includes the President, Prime Minister, Chief Ministers, and agencies responsible for implementing laws.

5. What is the primary role of the judiciary?

- A. Passing new laws
- B. Managing elections
- C. Deciding if someone has broken a law and assigning punishment
- D. Funding public programs (C)

Explanation: The judiciary checks if laws have been broken and determines the necessary course of action or punishment.

6. What is meant by 'Separation of Powers'?

- A. Each branch works in complete isolation
- B. One organ controls all the others
- C. Each organ checks and balances the others
- D. Only the legislature is powerful (C)

Explanation: Separation of Powers means each organ of the government can check the actions of the others to maintain balance.

7. What is one key function of a good system of governance?

- A. Concentrating power in one place
- B. Ignoring people's voices
- C. Keeping the organs of government separate but interactive
- D. Letting courts make all rules (C)

Explanation: A good system separates the organs of government while allowing them to work together as checks and balances.

8. What is cybercrime primarily associated with?

- A. Theft of physical goods
- B. Traffic rule violations
- C. Stealing money digitally
- D. Unlawful printing of books (C)

Explanation: Cybercrime involves using digital means to illegally access and steal people's money or information.

9. What has the rise of cybercrime led governments to do?

- A. Close internet access
- B. Avoid using technology
- C. Pass new laws to fight such crimes
- D. Replace courts with software (C)

Explanation: To deal with digital crimes, governments have created new laws and punishments for offenders.

10. Which of the following is NOT part of the executive branch?

- A. President
- B. Prime Minister
- C. Judges
- D. Ministers (C)

Explanation: Judges are part of the judiciary, not the executive, which includes the President, PM, and Ministers.
