

## CHAPTER-3 | A Tiger in the Zoo

### QUIZ PART-03

1. What is the effect of the repetition of the word "quiet" in the poem?
- It shows the tiger is sleepy
  - It increases the intensity of the tiger's silent anger
  - It makes the poem funny
  - It shows the zoo is peaceful (B)

**Explanation:** The repeated word "quiet" highlights the tiger's helpless silence and the anger building inside him.

2. What does the repetition of the word "brilliant" emphasize?
- The size of the zoo
  - The tiger's speed
  - The shining tiger's eyes and the shining stars
  - The color of the cage (C)

**Explanation:** The repetition stresses both the brightness of the tiger's eyes and the stars, creating a strong visual effect.

3. How does the tiger walk in the cage?
- Running wildly
  - Sleeping quietly
  - Stalking in quiet rage
  - Jumping happily (C)

**Explanation:** The tiger moves by stalking in the cage, showing silent anger and helplessness.

4. Why is the tiger angry in the cage?
- It is hungry
  - It is ill
  - It is imprisoned and helpless
  - It is afraid of visitors (C)

**Explanation:** The tiger is angry because it is trapped in the cage and cannot win its freedom.

5. How does the tiger react to the visitors?
- It roars at them
  - It plays with them
  - It ignores them
  - It runs toward them (C)

**Explanation:** The poem and explanation say that the tiger ignores the visitors completely.

6. What message does the poem give?
- Zoo animals are always happy
  - Wild animals should live in their natural habitat
  - Tigers should be trained by humans
  - Visitors should feed caged animals (B)

**Explanation:** The poem shows that zoo animals live miserably in captivity and should be allowed to live in nature.

7. According to the poet, where should the tiger be?
- In a circus
  - In a zoo
  - In the jungle
  - In a house (C)

**Explanation:** The poet believes the tiger belongs in the jungle, which is its natural habitat.

8. What should the tiger do near the water hole?
- Sleep in the shade
  - Hunt the plump deer
  - Drink water with villagers
  - Roar at the stars (B)

**Explanation:** In the jungle, the tiger should lurk near the water hole and hunt plump deer for food.

9. How does the tiger terrify the villagers?
- By running into the city
  - By showing white fangs and long claws
  - By breaking the cage
  - By calling other animals (B)

**Explanation:** The tiger frightens villagers by baring its white fangs, showing its claws, and snarling near houses.

10. How does the tiger behave at night?
- It sleeps peacefully
  - It roars loudly
  - It stares at the stars with hope
  - It attacks the bars (C)

**Explanation:** At night, the tiger looks at the shining stars with hopeful eyes, as if longing for freedom one day.
