

CHAPTER-6 | Mijbil the Otter

QUIZ PART-04

1. What did Mij invent to play with?
A. Ping-pong ball B. A rubber toy
C. A terrapin shell D. Marbles (A)

Explanation: Mij invented a game using a ping-pong ball, which kept him engaged for long periods.

2. What did Mij do when the ball rolled down the suitcase?
A. He ignored it
B. He jumped after it
C. He ran away
D. He chewed on it (B)

Explanation: Mij ran to the other end of the suitcase to catch the ball after it rolled down.

3. What did Mij do when the author exercised him on a lead?
A. He ignored the lead
B. He walked calmly
C. He followed the author obediently
D. He developed compulsive habits (D)

Explanation: Mij developed compulsive habits, such as stepping on every paving block, similar to children's rituals.

4. What did Mij do near the primary school wall?
A. He barked loudly
B. He jumped on the wall and galloped across it
C. He sat quietly
D. He played with the children (B)

Explanation: Mij would tug at the author's lead to jump onto the low wall and gallop the full length of it.

5. What did people mistake Mij for on the streets of London?
A. A seal B. A squirrel
C. A baby tiger D. A walrus (D)

Explanation: People in London had no idea what Mij was and made guesses, including thinking he was a walrus.

6. What animal group do otters belong to?
A. Canines
B. Mustellines
C. Felines
D. Rodents (B)

Explanation: Otters belong to the Mustellines group, which also includes animals like badgers, weasels, and minks.

7. What animal did one laborer think Mij was?
A. A baby bear
B. A leopard
C. A brontosaur
D. A squirrel (C)

Explanation: The laborer guessed that Mij was a 'brontosaur,' which made the author laugh.

8. What did the laborer do when he saw Mij?
A. He ran away
B. He shouted in surprise
C. He stared and spit
D. He took Mij away (C)

Explanation: The laborer stared at Mij in surprise and spat, clearly puzzled by the strange animal.

9. What did the author feel when Mij caused a stir on the streets?
A. Amused B. Embarrassed
C. Angry D. Excited (A)

Explanation: The author was amused by the different guesses people made about Mij, leading to a series of funny interactions.

10. Which object did Mij play with that was brought from his native marshes?
A. A rubber fruit
B. A ping-pong ball
C. A terrapin shell
D. A piece of bark (C)

Explanation: Mij played with a terrapin shell that the author brought from his native marshes.
