

CHAPTER-8 | Fog

QUIZ
PART-02

1. The comparison of fog with a cat mainly highlights its:

- A. strength
- B. quiet movement
- C. loud presence
- D. speed (B)

Explanation: The cat symbolizes silent and smooth movement, which reflects how fog spreads quietly.

2. The word "little" in "little cat feet" suggests:

- A. weakness
- B. gentleness
- C. anger
- D. danger (B)

Explanation: "Little" indicates softness and gentleness, emphasizing the delicate arrival of fog.

3. The fog 'sits' over the city. This suggests:

- A. it stops temporarily
- B. it disappears quickly
- C. it becomes solid
- D. it rises upward (A)

Explanation: "Sits" implies that the fog stays for some time before moving.

4. Which feature of the poem makes it modern in style?

- A. Strict rhyme scheme
- B. Complex vocabulary
- C. Free verse structure
- D. Use of refrain (C)

Explanation: The poem uses free verse, which is a modern poetic style without fixed rhyme.

5. The fog covering the harbour and city creates a sense of:

- A. excitement
- B. confusion
- C. mystery
- D. celebration (C)

Explanation: Fog hides things and creates a mysterious atmosphere.

6. The movement of fog in the poem can best be described as:

- A. sudden and violent
- B. slow and unnoticed
- C. fast and noisy
- D. irregular and rough (B)

Explanation: The fog moves quietly and gradually, like a cat.

7. Which idea is conveyed through the imagery of the poem?

- A. Fog as destructive force
- B. Fog as a living creature
- C. Fog as a machine
- D. Fog as light (B)

Explanation: The fog is described like a cat, making it seem alive.

8. The absence of punctuation at line endings in some lines supports:

- A. rhyme
- B. enjambment
- C. alliteration
- D. irony (B)

Explanation: Enjambment allows the sentence to flow into the next line without pause.

9. The tone of the poem is mostly:

- A. fearful
- B. calm
- C. humorous
- D. angry (B)

Explanation: The poem has a peaceful and quiet tone, matching the nature of fog.

10. The fog leaving the place indicates:

- A. permanence
- B. destruction
- C. temporary presence
- D. celebration (C)

Explanation: Fog comes and goes, showing it is not permanent.
