

CHAPTER-1 | A Bottle of Dew-I

QUIZ PART-03

1. What did Rama Natha strongly believe in?

- A. A magic potion
- B. A talking tree
- C. A secret palace
- D. A flying bird (A)

Explanation : Rama Natha strongly believed in a magic potion.

2. What could the magic potion supposedly do?

- A. Make crops dry
- B. Turn objects into gold
- C. Make people sleep
- D. Bring storms (B)

Explanation: Rama Natha believed the potion could turn objects into gold.

3. How did the sage help Rama Natha?

- A. By giving him free gold
- B. By tricking him into working hard
- C. By buying his land
- D. By sending him away (B)

Explanation: The sage used a clever trick to make Rama Natha work on his land.

4. What did the sage ask Rama Natha to plant?

- A. Banana plants
- B. Rose plants
- C. Neem trees
- D. Rice crops (A)

Explanation : The sage asked him to plant banana plants.

5. Why was Rama Natha able to collect the dew eventually?

- A. He was determined
- B. He found a shortcut
- C. He bought dew from the market
- D. Madhumati made the potion (A)

Explanation: He followed the sage's instructions with determination.

6. Why was Rama Natha angry at the sage?

- A. The sage took his land
- B. The potion did not work
- C. Madhumati left the house
- D. The banana plants died (B)

Explanation: Rama Natha was angry because the potion did not turn the copper vessel into gold.

7. What did Rama Natha feel he had wasted?

- A. Six precious years
- B. One day
- C. A few coins
- D. One banana crop (A)

Explanation: He felt that he had wasted six precious years of his life.

8. How did Rama Natha and Madhumati create wealth?

- A. By selling fruits from their plantation
- B. By finding a magic cave
- C. By borrowing money
- D. By selling copper vessels (A)

Explanation: They created wealth by growing bananas and selling the crop.

9. What role did Madhumati play in creating wealth?

- A. She sold the fruits in the market
- B. She made magic words
- C. She planted only flowers
- D. She hid the money (A)

Explanation: Madhumati sold the banana fruits in the market.

10. What lesson did Rama Natha finally learn?

- A. Wealth comes from hard work
- B. Land should be sold quickly
- C. Magic is always real
- D. Shortcuts always succeed (A)

Explanation : Rama Natha learned that hard work, not magic, creates wealth.
