

CHAPTER-9 | The Proposal

QUIZ
PART-05

1. How does Natalya react when she learns Lomov came to propose?
- She laughs it off
 - She falls into an easy chair and wails for him to be brought back
 - She scolds her father and sends Lomov away
 - She remains indifferent (B)

Explanation: She collapses into a chair, cries, and repeatedly demands that Lomov be fetched back.

2. What extreme outburst does Chubukov make during the commotion?
- He vows to leave the village forever
 - He threatens to sell the estate
 - He declares he'll shoot and hang himself
 - He calls the police immediately (C)

Explanation: In his hysteria he exclaims he will shoot and hang himself.

3. What physical complaints does Lomov mention on re-entering?
- Fever and dizziness
 - Headache and nausea
 - Heart palpitations, a numb foot, and a pull in his side
 - Cough and sore throat (C)

Explanation: He says his heart is palpitating, his foot has gone to sleep, and something pulls in his side.

4. What concession does Natalya make about Oxen Meadows?
- They should be shared equally
 - They rightfully belong to Lomov
 - They must be sold to the peasants
 - They will be leased to Lomov for a year (B)

Explanation: She admits the Meadows are his and urges moving on from the quarrel.

5. What reason does Lomov give for pressing the Meadows dispute?
- Profit from hay sales
 - Revenge on Chubukov
 - Legal obligation from the court
 - Principle matters more than the land's value (D)

Explanation: He insists he argued on principle, not because the land was valuable to him.

6. What hunting plan does Lomov mention?
- Bear hunting in winter
 - Blackcock after the harvest
 - Wolf hunting in spring
 - Fox hunting before the rains (B)

Explanation: He intends to try for blackcock once the harvest is over.

7. What problem has happened to Lomov's dog Guess?
- It ran away
 - It broke a paw
 - It has gone lame
 - It lost an eye (C)

Explanation: He laments that Guess is lame and worries about the expense.

8. How much did Lomov pay Mironov for Guess?
- 85 roubles
 - 100 roubles
 - 125 roubles
 - 150 roubles (C)

Explanation: He states he paid Mironov 125 roubles for Guess.

9. How much did Chubukov pay for Squeezer?
- 60 roubles
 - 70 roubles
 - 85 roubles
 - 100 roubles (C)

Explanation: Natalya says her father paid 85 roubles for Squeezer.

10. What defect does Lomov claim makes Squeezer a bad hunter?
- Cross-eyed
 - Overshot jaw
 - Cropped tail
 - Bow-legged (B)

Explanation: He argues Squeezer is "overshot," which in his view means a poor hunting dog.
