

1. How did Griffin, the scientist, first become invisible?
 - A. By performing a magic ritual
 - B. By ingesting rare drugs
 - C. Through a chemical accident
 - D. By using advanced machinery

Explanation : Griffin conducted experiments and consumed rare drugs that made his body as transparent as glass while remaining solid, as mentioned in the text.

2. Why did Griffin set fire to his landlord's house?
 - A. To destroy evidence of his experiments
 - B. Out of revenge for the landlord's dislike
 - C. To create a distraction and escape
 - D. To test his invisibility powers

Explanation : Griffin, being lawless, sought revenge on his landlord, who tried to evict him, by setting the house on fire.

3. Why did the boys in London follow the footprints?
 - A. They wanted to meet the invisible man
 - B. They were fascinated by the footprints appearing from nowhere
 - C. They thought it was a thief
 - D. They wanted to warn the man

Explanation : The boys were intrigued by the fresh muddy footprints that appeared mysteriously and followed them out of curiosity.

4. What did Griffin do inside the London store after closing time?
 - A. Slept peacefully
 - B. Ate and dressed himself lavishly
 - C. Conducted experiments
 - D. Both A and B

Explanation : Griffin dressed himself in warm clothes, ate a hearty meal, and drank wine, enjoying the luxuries without concern for cost.

5. Why did Griffin attack the shopkeeper at the theatrical company?
 - A. To hide his invisibility
 - B. To steal money and clothes
 - C. Out of frustration
 - D. To create chaos

Explanation : Griffin attacked the shopkeeper to rob him of money and acquire clothes that would disguise his invisibility.

6. What made Mrs. Hall suspect the presence of spirits in the inn?
 - A. Strange noises in the room
 - B. A chair attacking her and her husband
 - C. Griffin's behavior
 - D. Unexplained disappearance of money

Explanation : Mrs. Hall believed the furniture was haunted when a chair seemingly sprang to life and pushed them out of the room.

7. What event increased suspicion about Griffin's involvement in the clergyman's burglary?
 - A. His sudden disappearance
 - B. His new clothes and cash
 - C. Witnesses seeing him escape
 - D. His admission of guilt

Explanation : Villagers grew suspicious when Griffin suddenly produced cash after admitting he was out of money earlier.

8. How did Griffin escape from Mr. Jaffers, the constable?
 - A. By threatening him
 - B. By running into the crowd
 - C. By shedding his clothes and becoming invisible
 - D. By overpowering him physically

Explanation : Griffin removed his clothes, making himself completely invisible, which allowed him to escape from Jaffers.

9. What was Griffin's response when Mrs. Hall demanded explanations?
 - A. He ignored her
 - B. He explained calmly
 - C. He revealed his invisibility angrily
 - D. He fled the inn

Explanation : Griffin became furious and revealed his invisibility by removing his bandages, spectacles, and false nose.

10. What is the central theme of the chapter "Footprints without Feet"?
 - A. The dangers of scientific experimentation
 - B. The importance of honesty
 - C. The quest for power
 - D. Adventure and exploration

Explanation : The story explores the misuse of scientific discoveries, as Griffin's invisibility leads to unethical actions and chaos.
