

CHAPTER-5 | The Rise of Empires

QUIZ PART-02

1. How did emperors manage diverse people in an empire?

- A. By respecting local customs
- B. By stopping all religions
- C. By removing governors
- D. By banning communication (A)

Explanation : Respecting local customs helped maintain harmony.

2. Why were local governors useful?

- A. They understood local language and culture
- B. They stopped all trade
- C. They replaced the emperor
- D. They ended administration (A)

Explanation : Local governors helped manage regions better.

3. Which infrastructure helped connect an empire?

- A. Roads and rest houses
- B. Only palaces
- C. Only temples
- D. Only forts (A)

Explanation : Roads, rest houses, and communication systems promoted unity.

4. Why did rulers expand kingdoms into empires?

- A. To gain resources and military strength
- B. To reduce wealth
- C. To give up power
- D. To stop administration (A)

Explanation : Expansion gave access to resources, wealth, and power.

5. What was one ambition behind empire-building?

- A. To rule large territories
- B. To close trade routes
- C. To weaken the army
- D. To divide the kingdom (A)

Explanation : Rulers wanted control over large territories and lasting fame.

6. What did trained armies do?

- A. Conquered and protected territories
- B. Worked only as farmers
- C. Built only temples
- D. Avoided borders (A)

Explanation : Armies helped conquest, control, and defence.

7. Where were fortified settlements often built?

- A. At strategic places like borders
- B. Only inside forests
- C. Only near schools
- D. In deserts only (A)

Explanation : Border forts protected the empire.

8. Why did rulers control rivers and trade networks?

- A. To gain resources and tax revenue
- B. To stop boats
- C. To reduce commerce
- D. To avoid transport (A)

Explanation : Rivers and trade networks increased wealth and resources.

9. Which peaceful method helped expand empires?

- A. Marriage alliances
- B. Destroying markets
- C. Burning villages
- D. Stopping diplomacy (A)

Explanation : Marriage alliances could peacefully connect territories.

10. Which non-violent strategy involved agreements with neighbouring kingdoms?

- A. Diplomacy
- B. Warfare
- C. Rebellion
- D. Tax refusal (A)

Explanation : Diplomacy used treaties and agreements.
